SATISFACTORY ACADEMIC PROGRESS POLICY

All matriculated students pursuing an approved program at Congregation YMH are required to maintain satisfactory academic progress toward graduation, which in this institution is defined as being in good academic standing as detailed below.

The SAP standards required for students receiving Title IV federal financial aid are the same for all matriculated students at Congregation YMH.

Satisfactory academic progress at Congregation YMH has two principal components: a qualitative standard and a quantitative standard:

At the end of each semester, each student's academic file is evaluated to determine if the student is making satisfactory academic progress.

- Qualitative Standard

In pursuit of graduation, the student must achieve a cumulative grade point average (GPA) of 2.0 (the equivalent of a "C" average) or better. Each student is evaluated at the end of each semester and is expected to maintain a minimum cumulative GPA of 2.0.

Semester grade point averages will be calculated according to the following numerical equivalents:

A 4.0	D 1.0
A- 3.7	W not included in calculation of GPA
B+ 3.3	I not included in calculation of GPA
B 3.0	F 0.0
B- 2.7	F* 0.0
C+ 2.3	* - unearned
C 2.0	
C- 1.7	

The GPA is established by multiplying the grade point equivalent of each course by the number of credits it yields. The products of each course are then added together. The sum is then divided by the total number of credits earned in the semester.

Credit hours with a grade of Incomplete and Withdrawn are not included in the determination of the grade point average. Credit hours with a grade of fail (F) or unearned fail (F*) are included in the grade point average. If a student receives failing grades for all of his courses, the Registrar will determine whether or not the student completed the semester.

- Quantitative Standard
 - Maximum Timeframe

Students must make sufficient progress through the academic program to complete the 120 credit program with a maximum attempted credits ceiling of 180 credits, which is 150% of the published length of the program.

- Pace of Completion

Congregation YMH

718-972-3772

A student must earn 67% of his cumulative attempted credits. Every semester, each student is evaluated to see if he has successfully earned 67% of his cumulative attempted credits. The student's cumulative earned credits are divided by the student's cumulative attempted credits to determine if the student is progressing through the 120 credit academic program at a pace sufficient to complete the program within the maximum time frame. If the number of credits earned divided by the number of credits attempted is 67% or greater, he is determined to be making satisfactory progress.

WARNING

If a student falls below the SAP standards, he will be notified that he is being given a warning period which will last one semester. The student will also be notified that he has the option of appealing his lack of satisfactory academic progress at any point. During the warning period, a designated faculty member may counsel the student and assist the student to improve his performance. The student may be provided with various student services that might include tutoring, scheduling accommodation, or other academic assistance. If, after this warning period SAP standards are still not met, he will be subject to academic discipline which may include expulsion or suspension from the institution.

FEDERAL FINANCIAL AID WARNING

For continued eligibility for federal financial aid programs, if a student falls below the satisfactory progress standards, he will be given a period of financial aid warning during which time he maintains federal financial aid eligibility. The warning period will last for one semester. During the federal financial aid warning period, the student will receive the counseling described above. If, after this federal financial aid warning period, satisfactory progress standards are still not met, the student will be notified that he will no longer be eligible for financial aid. The student will also be notified that he has the option of appealing his lack of satisfactory academic progress in order to be granted a probationary period.

APPEALS PROCESS, MITIGATING CIRCUMSTANCES

A student may appeal the institution's determination that he is not making satisfactory academic progress. Basis for appeal include the death of a relative, an injury or illness of the student, or other special circumstances. The student must submit the appeal in writing to the administrative office. In the appeal, the student must describe why he failed to make satisfactory academic progress, and what has changed in his situation that will allow him to demonstrate satisfactory academic progress at the next evaluation. The senior faculty member will consider all information provided by the student and will consult with faculty members, as appropriate. If it is determined that the appeal should be accepted, then the senior faculty member will determine whether or not the student will be able to meet the standard SAP requirements of the institution by the end of a one semester probationary period. If it is determined that the student will be able to meet the standard SAP requirements after the probationary period, the student will be placed on academic probation as described below. If it is

determined that the student will be able to meet the standard SAP requirements of the institution by the end of the probationary period with a customized study plan, then the student will be placed on academic probation with a study plan, as described below. If the appeal is accepted, the student will be granted a semester of academic probation or academic probation with a study plan, as described below. If the appeal is not accepted, the student will be subject to academic discipline, which may include expulsion or suspension from the institution. He will also be ineligible for federal financial aid until he re-establishes eligibility as described below in the section entitled "Re-instatement." The final decision (denial of appeal, academic probation, or academic probation with a study plan) will be conveyed to the student in writing.

ACADEMIC PROBATION

If it is determined that the student will be able to meet the standard SAP requirements after the probationary period, the student will be placed on academic probation. The period of academic probation is one semester during which the student has the opportunity to attempt to meet the SAP standards of the institution. The student can request counseling to assist him to improve his performance. In addition, the student may request to be provided with various student services that might include tutoring, scheduling accommodation, or other academic assistance.

ACADEMIC PROBATION WITH A STUDY PLAN

For a student on academic probation with a study plan, a senior faculty member will develop a study plan in conjunction with the student and other faculty, as needed. The study plan will include a customized plan for the SAP standards (as well as other academic provisions to assist the student in meeting those standards) that ensures that the student is able to meet the school's satisfactory progress standards by a specific time, though an academic plan could take the student all the way through successful program completion.

REEVALUATION AFTER A PROBATIONARY PERIOD

At the end of the probationary period, the student's satisfactory academic progress will be reevaluated. If the student is now meeting the standard SAP requirements of the institution, or is meeting the SAP standards of his study plan, he will be considered as meeting satisfactory academic progress. If, after the period of probation, the student's academic performance still fails to meet the academic progress standards of the institution, or the provisions of his study plan, he will be subject to academic discipline which may include expulsion or suspension from the institution, and he will be ineligible to receive Title IV federal financial aid.

REINSTATEMENT FOR FEDERAL FINANCIAL AID

A student who became ineligible for federal financial aid because he was not meeting satisfactory academic progress standards, has the opportunity to reestablish eligibility. Eligibility is reestablished by meeting institutional SAP standards. The financial aid office will receive notification of each student's status at the start of each semester, and the student will be notified that he may once again receive aid from the Title IV programs.

INCOMPLETES

If a student has not completed all required course work for a particular course, he may have additional time (up to six months), at the discretion of the instructor, to complete the work. In the interim, those course grades are marked as incomplete. Courses in which a student receives a grade of incomplete are not included in the GPA as long as the Incomplete remains on the transcript. The courses are included in the student's number of credits attempted but not completed credits.

WITHDRAWALS FROM A COURSE

A student who withdraws from a course(s) will have the course recorded as Withdrawn. This grade will not be counted in the student's GPA. However, the course(s) will be counted towards the student's number of credits attempted but not completed.

TRANSFER CREDITS AND SATISFACTORY PROGRESS

Transfer credits are not included in the GPA calculation; however, they are counted toward both the number of attempted credits and the number of credits earned by the student.

REPETITIONS

All repeated courses are counted in the number of the student's attempted credits. For determination of a student's enrollment status, if a student is repeating a course in which he received a passing grade, for the purpose of grade improvement, it is counted towards his enrollment status only the first time the course is retaken. If a student is repeating a course in which he received a failing grade, it is counted towards his enrollment status for as many times as he is repeating that course in an attempt to pass.

A student repeating a course must remain within the time frame required for satisfactory academic progress standards. All repeated courses are counted in the number of the student's attempted credits.

For Title IV awarding purposes, if a student is repeating a course in which he earned a passing grade, for the purpose of grade improvement, it is counted towards the student's enrollment status for Title IV purposes only the first time the course is retaken. If a student is repeating a course in which he received a failing grade, it is always counted towards the student's enrollment, regardless of how many times he repeats that course in an attempt to pass. For TAP grant awarding purposes, repeated courses are only counted towards the student's enrollment status for TAP grant awarding purposes for the semester in which the repeated course is taken, if the student received a failing grade. All attempts of a course are included in the student's GPA, including failing grades.

A student repeating a course must remain within the time frame required for satisfactory academic progress standards.

CHANGE OF MAJOR

All credits attempted are included in making a student's SAP determination, regardless of any subsequent changes in major, if applicable.

ESL/NONCREDIT REMEDIAL COURSES

Congregation YMH does not offer any ESL or non-credit remedial courses.

GROUND FOR DISMISSAL

Students are expected to keep the hours of the school's course and study schedule and attend all lectures. They must also complete regular oral and written exams. Students who fail to adhere to the school's regulations may be placed on probation. If improvement is not seen, the Dean, Rabbi Weisz will notify the student that he may be dismissed from the school. Students who persistently violate the school's rules of conduct and discipline, or who have been found to conduct themselves in a manner that constitutes a breach of character, dress, or moral conduct as defined by the Shulchan Aruch, may also be dismissed from the school. It should be noted that dismissals are extremely rare as every effort is made to accept students of high character and diligence.

ATTENDANCE

Although formal attendance is not taken at Congregation YMH, students are expected to attend all classes regularly. By design, the school's program relies heavily on keeping to the daily class schedule. Excessive unexcused absences may be grounds for grade reductions, loss of course credit, dismissal, or other disciplinary action.

LEAVE OF ABSENCE - FEDERAL POLICY

Under certain specialized circumstances a student may be granted an approved leave of absence.

To request a leave of absence the student must follow the procedures listed below:

The student must submit a request for a leave of absence in writing to the Rosh Yeshiva, Rabbi Moshe Weisz. The request must include the reason for which the student is requesting a leave of absence, and must be signed and dated. The request will be reviewed by the Rosh Yeshiva within ten days of submission.

If approved, the request and determination will be forwarded to the registrar's office and placed in the student's academic file. Notification will also be sent to the student and the financial aid office.

The student must submit the request and receive the approval prior to beginning the leave of absence. The exception would be unusual circumstances when it is impossible for the student to do so, i.e. if the student was in a car accident or other unforeseen emergency/disaster. If unforeseen circumstances prevent a student from providing a prior written request, the institution may grant the student's request for a leave of absence.

In this case, the institution will document its decision and collect the written request at a later date.

A student will only be granted a leave of absence if it can be reasonably expected that he will return from the leave of absence on time. The leave of absence, together with any additional leaves of absence must not exceed a total of 180 days in a 12 month period. Congregation YMH will not assess the student any additional institutional charges or award the student any additional Title IV aid during this time period. Upon the student's return from the leave of absence, the student must resume his coursework at the same point in the academic program that he began prior to the leave of absence.

Students on an approved leave of absence will not be considered withdrawn from the institution and no refund calculations will be made for Title IV financial aid received. Students who do not resume attendance at the institution at or before the end of a leave of absence will be considered withdrawn from the institution as of the initial start date of the start of the leave of absence and refunds will be calculated accordingly.
